**Re: *United States v. Joshua Adam Schulte*
17 Cr. 548 (PAC)**

Dear Judge Crotty:

We write to advise the Court, as we have already advised the government, that the defense is unable to call its computer expert, Dr. Steven M. Bellovin, as a trial witness. As we have previously explained, Dr. Bellovin, despite repeated requests, was never permitted access to the full “mirror images” of the CIA’s ESXi and FSO1 Servers—images to which the government’s expert has long been granted full and unrestricted access.

Thank you for your attention.

Respectfully submitted,
